**Pool Supervision Policy**

**0-7 years:** One adult to two children. Must be accompanied in both the changing rooms and the water by an adult. The person accompanying the child should be over the age of 16 or the biological parent (if younger). The accompanying person must be in the water, maintain constant watch and be in close contact.

**8 years and over (non or weak swimmers):** Supervision in the water is required. The person accompanying the child should be over the age of 16 or the biological parent (if younger). The accompanying person must be in the water, maintain constant watch and be in close contact.

**8 years and over (competent swimmers):** No supervision needed.

**Swim test guidance**

All participants will be required to complete a competency test, which includes jumping in unaided and swimming one width in the deep end before climbing out on their own.
